Lesson Plan Description:

"Pratyahara itself is termed as yoga, as it is the most important limb in yoga sadhana." – Swami Sivananda

Pratyahara is the-fifth limb in the eight Limbs of Patanjali. It can be translated as: "control of ahara," or "gaining mastery over external influences", or "withdrawal of the senses".

Pratyahara has been compared to a turtle withdrawing into its shell - the turtle's shell is the mind and the turtle's limbs are the senses.
